**HW#6 -- Campus Resources -- Due Sept. 24 by class-time**

Visit (in person) two (2) of the locations on the campus resources list ([here](#)) and collect the following information: name, location, purpose, hours of operation. You will need to actually speak with someone who works there. When you speak to them collect their name. Also please state when you made your visit.

Print out the results of your findings and bring the assignment to class to turn in.
