UCO Engineering Physics and Biomedical Engineering
Spring 2005 Advising Form

The following form must be completed and signed by both the student and a Physics and Engineering Department Faculty Member by October 29, 2004. Note that that the faculty member will **not** sign the form without having met with the student during the Engineering Physics and Biomedical Engineering Advisement Week. You may arrange a meeting time during the week of October 25 - through October 29, 2004, but you may also just show up at the Physics and Engineering Department between 1:00 and 4:00 p.m. anytime during the week.

Please fill out the form below **before** attending as advising session. You also need to to fill out the on-line form at http://engrphys.lemley.org/engrphys/advise.php before you attend an advising session.

What is your major (circle one):

Engineering Physics	Mechanical Systems	Physics	Electrical Systems
Biomedical Engineering	Bioinstrumentation	Pre-Medical	

Spring 2005 Courses

	Prefix+Course No.	**Course Name**

Student: I agree that the courses above are the courses I will enroll in for the Spring 2005 semester.

_____Signature _____Date

_____Printed Name _____ID Number

Faculty Member: I have reviewed this student's courses for the Spring 2005 Semester.

_____Signature _____Date

_____Printed Name

Fall 2005 Courses (planning)

	Prefix+Course No.	**Course Name**
